Old Business:

The March meeting completed the ride schedule for the summer. Departure times are still to be announced. Members received a copy with the notice about the April meeting. Open house at North End is May 17th. (This was not in the schedule that was sent out.) May 17th is also the date of the first honor flight of the summer. There was a good turn out at Texas Roadhouse for the R.S. fundraiser.

New Business:

The charter was returned from the Star association main headquarters. It was approved, but several members were crossed off because they had not renewed their memberships. Jerry Dion dissolved the Star Chapter in Massena. Not enough members, they will now be included in Star 363 mailings and hopefully will participate in some of the rides and activities this summer.

The suggestion was made to switch the itinerary for the Mt. Washington ride: with Saturday being the longer ride day and Sunday being the trip up the mountain and home. The Ironman in Lake Placid is on July 27th.

Bud and Tammy will be going to the Americade for most of the week. Bud is planning to return home Thursday night and leave again Friday morning with anyone interested in riding down that day.

The next dinner ride will be on April 24th to Up North Barbeque. (They were closed in March)

Veteran's Affairs:

The A schedule for the Moving Wall has been posted, there are no scheduled appearances close to Plattsburgh.

The B schedule for the Moving Wall is not yet available.

Treasurer's Report:

The balance in the treasury at the start of the meeting was \$ 451.74.

The **50/50 raffle** collected \$86.00 and was won by Tammy Durland who received \$43.00.

A motion was made to adjourn by Tammy Durland, seconded by Carrie Garrant. The meeting was adjourned at 7:38 p.m.

Respectfully Submitted:
